

DURA SEAL™ Polyurethane

PRODUCT DESCRIPTION:

A transparent, tough, oil-based finish formulated to provide excellent durability and remarkable stain resistance. DURA SEAL™ Polyurethane gives wood floors depth and richness while protecting them from dirt and spills. Available in three sheens and aerosol Touch-Up Spray, as well as 450 VO.C. (NY/NJ) compliant formulas.

PRODUCT PROPERTIES:

DRY TIME & CURE	Approximately 8 hours. Allow to dry overnight for traffic. Allow to dry 48 hours before replacing furniture and rugs. NOTE: Drying time will be increased by high humidity, low temperature, lack of air movement or applying too heavily.
COVERAGE	Approximately 500 square feet per gallon. [750 square feet per gallon for 450 VO.C. compliant product].
CLEAN UP	Clean equipment with paint thinner, turpentine or mineral spirits.
MAINTENANCE	Place door mats at all exterior doors. Apply plastic or felt tips to all furniture. Wipe up spills as soon as possible. Vacuum or dust mop periodically to remove dust and grit.
SOLVENT	Non-photo chemically reactive.

CAUTION:

COMBUSTIBLE MIXTURE N.Y.F.D. C. OF A. NO.1187

DANGER:

Contains mineral spirits. Harmful or fatal if swallowed. Do not take internally. Skin irritant. Avoid contact with skin and eyes. Wear rubber gloves and safety glasses when handling. Avoid inhalation and use only with adequate ventilation. If adequate ventilation cannot be maintained, wear respiratory protection [NIOSH/MSHA TC23C or equivalent] or leave the area. Do not use or store near heat, sparks, flame or other sources of ignition. Close container after each use.

KEEP OUT OF REACH OF CHILDREN.

FIRST AID: If swallowed, DO NOT induce vomiting. CALL PHYSICIAN IMMEDIATELY. For skin contact, wash thoroughly with soap and water. If irritation persists, get medical attention. If affected by inhalation, remove to fresh air. If symptoms persist, CALL PHYSICIAN. In case of eye contact, immediately flush eyes thoroughly with water, then remove any contact lenses. Continue to flush eyes with water for at least 15 minutes. If irritation persists, get medical attention.
